STATE BOARD OF EDUCATION

Regents of the University of Montana, ex officio

The State Board of Education is composed of eleven members including the Governor, the State Superintendent of Public Instruction and the Attorney General as members, ex officio. The Governor appoints, by and with the consent of the Senate, the remaining eight members. These appointments must provide for equal representation between the first and second congressional districts and not more than four members may be from the same political party or organization. The term of office for the appointed members is eight years.

Acting on the recommendation of the State Superintendent, the Board establishes standards for the accreditation of elementary and secondary schools, and rules and regulations for the issuance of teachers' certificates as prescribed by law. The control and supervision of the University of Montana, of the Division of Vocational Rehabilitation, and The Montana State School for the Deaf and Blind are vested in this Board. In addition, the Board approves certain scholarships provided for by law and serves as the State Board for Vocational Education.

The State Board of Education serves ex officio as Regents of the University of Montana. The executive secretary of the University of Montana is secretary of the Board as Regents.

PUBLIC ELEMENTARY AND SECONDARY SCHOOLS

On the following pages Montana counties are listed alphabetically, and under each county the school districts are listed by number, with the names and addresses of the schools. At the back of this Directory is **an alphabetical index of towns** having schools with local administrative and/or supervisory officials, so that the page on which such a town is listed may be found without knowledge of the county in which the town is located. In the listing which follows, **LARGE TYPE** indicates a community with schools having a grade span of at least 1 through 12. Abbreviations designate district officials:

C Chairman, Board of Trustees

D District Superintendent

H High School Principal

J Junior High School Principal*

E Elementary School Principal

Where a district has more schools than one of the same level, the teacher and enrollment data for the schools within the city limits are grouped opposite the term "unit." Below the unit heading each principal's name is listed with the building(s) he or she supervises; the parenthetical entry after each such building is the number of teachers in that building, which number is included in the unit total.

Where a district with a city unit has additional schools outside of the city limits, each such additional school is listed, with principal, if any, below the city schools. The teacher and enrollment data for each outlying school are shown individually; these figures are **not** included in the city unit total. Where teachers serve multiple schools, the number of such teachers is shown separately and is **not** included in the city unit total. The total number of teachers and pupils in a district may be obtained by adding the numbers in the far-righthand columns opposite that district. Administrative, supervisory, consulting and other professional personnel who are listed by name are not included in the number of teachers in the righthand column.

Where a district operates one or more kindergartens, the total kindergarten enrollment is shown separately and this figure is excluded from the elementary enrollment figure(s) above it.

Data for joint districts (territory in more than one county) are shown under the county in which the school is located, with a cross-reference identifying the other counties.

County high schools, without district designations, follow the list of districts in the counties where such high schools are located. An asterisk follows the name of the town in which the county high school is located, when the town appears with the district number of its elementary school(s). For example, on page 5, **DILLON*** indicates that, at the end of the listing of Beaverhead County school districts, ***BEAVERHEAD COUNTY HIGH SCHOOL,** Dillon appears; see page 5.

*Only accredited **junior** high schools are classified as such in this Directory.
